

## **Infant Center's Daily Schedule**

*Our infant and toddler curriculum is loosely structured to take advantage of your baby's natural rhythms. He'll eat when he's hungry. She'll sleep when she's tired. And in between, our teachers give all the love and attention children need. Hugging, singing, rocking, and playing are standard fare in our Center. We support every child's needs with stimulating activity, quiet time, and small group interactions, along with educational activities, music, gymnastics and the arts.*
